

Aloha Friends,

The Amala Foundation is currently seeking community sponsors for the fifth annual Camp Mana!

Camp Mana is a community volunteer effort inspiring Island children to cultivate their innate wisdom, creativity, and awareness. Camp Mana fosters authentic expression, healing, growth, community, connection, respect and love. Camp is focused on 5-11 year olds, and activities include art, music, movement, earth awareness, organic gardening, and more.

Your contribution will allow local children whose families cannot afford tuition to attend camp. Donations of any amount are gratefully welcomed, as are gifts of food and supplies for camp.

Camp Mana is a service project of the Amala Foundation, a non-profit organization working to create a peaceful, equitable, and compassionate world by unifying communities in service, and inspiring youth to lead with a heart-centered global perspective. The Amala Foundation is deeply focused on serving the children in the recognition that sustainable peace begins within. Please visit our website at [www.AmalaFoundation.org](http://www.AmalaFoundation.org) for more information about Camp Mana and the work of the Foundation.

**Camp Mana will be held Saturday, March 20 – Sunday, March 21 in North Kohala.**

*Please join us for the Closing Celebration at 2pm on Sunday, March 21<sup>st</sup>!*

The intention for Camp Mana is to create an environment that is safe, nurturing, fun, and creative, where children can freely express, heal, be acknowledged and heard. We endeavor to support and empower all children to explore the essence of who they are. All activities are designed to create a space for the facilitators and children to experience a deeper opening of their hearts.

This will be a beautiful experience for 50 Island children: we are asking for your assistance in making Camp Mana available to all Island families. The Amala Foundation continues its mission of service through the financial support of those who are inspired by our programs.

Camp Mana is about creating community...from the farmers who donate produce to the local businesses who sponsor children, to the volunteers and children who gather from around the Island...it is about deepening the roots of the community in authentic love and service.

We accept your contribution with deep gratitude, and we invite you to come be a part of Camp Mana, either by serving as a volunteer, or joining us at the Closing Celebration at 2pm on March 21<sup>st</sup>! Thank you for responding to this opportunity to serve the children.

In Loving Service,

The Amala Foundation and Camp Mana 'Ohana
