

Service Staff Volunteer Application

Camp Mana is a unique model of service to inspire and support Children to preserve their authentic nature and experience an environment that is created to work in unity and equality with a deep and loving consideration of the Whole. Those who serve at Camp come in the posture of devotional service to the God of their understanding. Camp Mana is a devotional act to serve the Divine through the Hearts of the Children. This posture of approach creates the deeply loving and potent space that allows the Children to express, heal and be heard. Camp is transformational for all involved...a sacred devotional act of Gratitude to the Whole.
